

# Attention: Restaurant Owners & Executive Chefs

---

***Are you having difficulties in finding and retaining highly productive and motivated kitchen employees?  
Are you tired of having unstable kitchen operations, absenteeism problems and frequent staff turnover?***

***EMC Recruitment has the proven solutions!*** We are a Halifax-based manpower recruitment solutions company that has the track record, experience, knowledge, organization and means to address these difficulties facing your industry.

We have already recruited and deployed highly skilled Foreign Workers as Line Cooks to several well-known and established restaurants in Nova Scotia. We are here to help you stabilize your work force, leaving you with more time for revenue-generating activities!

Freeing yourself from the problem of hiring line cooks would enable you to devote your full attention to more pressing matters. Executive chefs can spend more time working on menus and management, instead of regularly screening and interviewing candidates for line cook positions and training new recruits.

We would be more than happy to talk to you and explain our services. Our highly satisfied restaurant clients in Nova Scotia *[SEE LIST BELOW\*\*]* are the big endorsers of what we offer.
